We, the Surety, who is authorized to transact business as a Surety in the State of Montana, and the above Principals, are firmly bound and indebted to the State of Montana in the sum of the above amount of bond for which payment we bond ourselves and legal representatives and successors, jointly and severally.

The bond is being executed because the principal has applied to the Montana Department of Transportation for a license to engage in business as a Gasoline/Special Fuel Distributor pursuant to the Montana Basic Gasoline/Special Fuel License Tax Title 15, Chapter 70, Part 2, et. Seq. MCA. (Gasoline/Special Fuel)

This bond is intended to comply with the requirements of the Gasoline/Special Fuel License Tax, and it is expressly provided that:

1. The principal shall at all times keep this bond in full force and effect and, upon any cancellation or revocation of this bond or withdrawal of the Surety, shall cease business as a Gasoline/Special Fuel Distributor until such time a new bond is filed and approved by the Montana Department of Transportation.
2. The Surety shall be liable for any failure of the principal to comply with Gasoline/Special Fuel License Tax including, but not limited to, any tax, interest, and/or penalty which is due from the principal up to the limit. This bond does not limit the liability of the Principal under the Gasoline/Special Fuel License Tax.
3. This bond shall be deemed continuous in form and shall remain in full force and effect unless terminated or cancelled in the manner hereinafter provided in this agreement.
4. The Department of Transportation, through its authorized agents, reserves the right, at any time, to require a new bond or bond of greater amount than this bond or to require another Surety or Sureties be provided whenever the Department or its agents deem it necessary to comply with the provisions of the Gasoline/Special Fuel License Tax.
5. The Surety may cancel this bond and be relieved of further liability under this bond by giving 30 days written notice to the Administration Division of the Department of Transportation at the above address. The cancellation shall not affect any liability incurred by the Surety or Principal prior to the termination of the notice period.
